Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There s Low Fennel, said Major Dale. We pulled up short on the brow of the hill. Before me lay a little valley carpeted with heather, purple slopes hemming it in. A group of four tall firs guarded the house, which was couched in the hollow of the dip-a low, rambling building, in parts showing evidence of great age and in other parts of the modern improver. That s the new wing, continued the Major, raising his stick; projecting out this way. It s the only addition I ve made to the house, which, as it stood, had insufficient accommodation for the servants.
