Insomniac Press, Canada, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A mother's pain. A million dollars. A missing son. Desperate to right old wrongs, a woman hires Russell Quant to locate her son, Matthew, lost to her for twenty years. But can money relieve remorse? Through good old-fashioned detective work, Russell peels away the layers of a carefully concealed life, grown from the seeds of traumatic childhood violence. Tracking Matthew's life from the schoolyard drug culture of a pleasant prairie city's underbelly to the stunning vistas, vibrant townships, and sunset safaris of Africa, Russell finds much more than he was looking for. Ever adept at making both friends and foes, Russell runs a gauntlet of uncharted danger as worlds collide. Thrust into the unfamiliar role of bad guy, stymied by seemingly insurmountable distrust and base fear, Russell cuts a blistering swath through covert threats and overt bullets. But as he searches for a Canadian needle in an African haystack, the brutality escalates. Confronting his own role in the cause and effect of scars and anger, retribution and revenge, Russell Quant faces a difficult question: What happens when the prodigal son resists the return?.
