By -

Brookes Publishing. Paperback. Condition: New. 520 pages. Dimensions: 18.4in. x 8.5in. x 1.1in. SAVE 20 when you order this guide during the month of August. Use Savings Code 3NEW0814. Essential for every school health office, this fully illustrated reference is the ultimate guide to caring for and supporting children with special health care needs in educational settings. A comprehensive update of the classic guide school nurses trust, this authoritative book compiles the latest guidelines on working with students with special health care needs, step-by-step procedures for using today's medical technologies, and access to more than 50 reproducible planning forms and checklists. Experts from nursing, medicine, and parent advocacy across the country reviewed and vetted the content, so you can implement the techniques and guidelines with confidence. A must for school nurses and related professionals, this practical reference tool will help schools deliver the services and supports that promote health, safety, and success for children with special health care needs. THE LATEST ON: Supporting students with a wide range of special care needs, such as respiratory concerns, neurological issues, diabetes, allergies, and bladder and kidney issues. Safely and skillfully using medical technologies, including feeding tubes, insulin administration devices, baclofen pumps, ventilators, ostomies,...
