Picador, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: " On the Floor 's appeal is broad.It's that rare work of fiction in which the financial world functions as more than a mere backdrop." Bloomberg "[On The Floor] plunges straight into the financial world's heart of darkness." Los Angeles Times "Move over, Lisbeth Salander! Geri Molloy is a captivating protagonist---she might not have a dragon tattoo, but her story is riveting. On the Floor is the smartest financial novel since The Bonfire of the Vanities, and the first with a fully drawn female heroine. As someone who worked in the trenches of Wall Street during the 1990s, I can attest that the details are dead right. And I'm still cheering Geri on."Frank Partnoy, bestselling author of F.I.A.S.C.O.: The Inside Story of a Wall Street Trader and Wait: The Art and Science of Delay "Aifric Campbell knows her subjects intimately, and On the Floor reveals the secrets of high-stakes finance and her heroine's private lives. Geri Molloy aces her career with pluck and genius. A brilliant and hilarious novel."Min Jin Lee, national bestselling author of Free Food for Millionaires "In On the Floor, Aifric Campbell has created the perfect heroine in Geri Molloy: complicated, wildly talented, wary of others yet longing to connect, and haunted by demons both past and present as she navigates the high-flying financial world of the early 1990s. A hugely intelligent and fast-paced novel about what drives us, what fulfills us, and how to tell the difference."Emily Rapp, author of The Still Point of the Turning World "In On the Floor , Campbell's heroine becomes caught in a game of cat and mouse with a twisted mastermind, her career and soul at stake. She's a cross between Sherman...
