Government Accountability Office, 2004 OCLC Number: (OCoLC)56472046 Subject: Medicaid fraud -- Prevention. Excerpt: . . . Nevada officials reported that certain types of providers located in the state - including dentists, DME suppliers, and home health agencies - are permitted to enroll for only a 1-year period and must reapply each year to continue billing Medicaid. Out-of-state providers are limited to a 3-month enrollment period and must reapply to continue to bill the Nevada program. Wisconsin officials reported that the state requires nonemergency transportation providers to reenroll annually, while all other types of providers must submit new enrollment applications every 3 years. Many states deter fraud, abuse, and error by using advanced technologies Some States Have and keeping their provider rolls up to date. States seek to enhance Strengthened Controls program integrity activities by investing in information technologies that to Avoid Paying enable them to preauthorize services and improve their data processing Inappropriate Claims capabilities. They also contract with companies that specialize in claims and utilization review - analyses of claims to identify aberrant billing patterns - to...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
