Createspace, United States, 2010. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Where is God when love fails? When the prince never comes . Or when our happily ever after crumbles under the harsh realities of life? Love and Ashes: A Bible Study of Love, Loss, and Ultimate Romance tackles these questions head-on through true love stories of those who have pushed through some of life s most brutal blows. Readers then lay these riveting modern stories against the template of scriptural stories to explore common themes. In the end, LoveAshes challenges readers to share their own stories and discover a whole new perspective on love and how God works in the stories of our own lives. No preaching, no how tos, no formulas--just thought-provoking glimpses into real people s lives paired with fresh evaluations of the characters of Scripture. The Bible assures us that love never fails. But our shallow, superficial perception of love quite often does. That s why we need to see love with its ashes. LoveAshes does not promise stories of happiness, but does present stories of hope--hope that allows us to be honest about the painful blows of love in this life and challenges us to understand that God s greatest goal for our lives is holiness over happiness.
