Cornerstone, United Kingdom, 2007. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. In this irreverent and provocative book, Lewis Page exposes the scandalous state of our armed forces: how British soldiers are sent off to war with some of the worst guns around, how the MOD keeps financing useless toys (at huge expense to taxpayers), and how decisions seem to be made with an eye, above all, for the interests of British Aerospace. He shows how politicians and the top brass are hopelessly entrenched in yesterday's wars and pouring their talents and energies into making sure that money is wasted right, left and centre.
