

Anna Komnene: The Life and Work of a Medieval Historian (Hardback)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Oxford University Press Inc, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Byzantine princess Anna Komnene is known for two things: plotting to murder her brother to usurp the throne, and writing the *Alexiad*, an epic history of her father Alexios I Komnenos (1081-1118) that is a key historical source for the era of the First Crusade. *Anna Komnene: the Life and Work of a Medieval Historian* investigates the relationship between Anna's self-presentation in the *Alexiad* and the story of her bloodthirsty ambition. It begins by asking why women did not write history in Anna's society, what cultural rules Anna broke by doing so, and how Anna tried to respond to those challenges in her writing. Many of the idiosyncrasies and surprises of Anna's *Alexiad* are driven by her efforts to be perceived as both a good historian and a good woman. These new interpretations of Anna's authorial persona then spark a thorough re-thinking of the standard story which defines Anna's life by the failure of her supposed political ambitions. The second half of this work reviews the medieval sources with fresh eyes and re-establishes Anna's primary identity as an author and intellectual rather than as a failed conspirator.
