FEELING THERAPY: REAL HEALTH: YOURSELF (PAPERBACK)

AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Warning: - This book is not for the casual reader or someone who reads and decided to give it a try. It was written to try and help those that have been interested in Primal Therapy and read at least The Primal Scream and felt the need to do this therapy because they were suffering in their life. It is not an easy or even intuitive read and only those that have intended for some time: - If only I had the money and could get to Los Angeles. Should you start to get into your feelings and then realize it is more than you bargained for, there is a relatively easy way out of it. Resort back to your prior life-style your defenses and act-outs before you read or tried to get into feelings. This was how you naturally resolved it for yourself in the past. It will stand you in good stead if you should wish for an an-out, and an out from feelings. Any attempt to sue because you set out on something you had not thoroughly researched, be it on your head and responsibility. There is nothing intrinsically harmful in feelings, but many years defending and acting-out it can initially seem very disturbing. So I repeat this is only for those knowing something of what they are getting into. Therefore there should be no grounds for a lawsuit. //.
