Secrets from the Forest Floor

By Hannah Benfield

Paperback. Condition: New. 486 pages. When Hannah Benfield, RN and mother of two, starts her own specialty care staffing company, the stress-filled, sleepless struggle of juggling the demands of a career against the responsibility of nurturing her children, finally comes to an end. In less than a year, her company boasts the largest and most highly skilled group of ICU, CCU, and NICU RNs and RN Nurse Practitioners in the entire Southwest Region. While the nurses in her company provide a much-needed service to Mitchell-Palmer Hospital, Hannah devotes herself to the management of her company, but even more importantly, to home-schooling her two children. However, within a year and a half from the inception of Per Diem ICU, a well-disguised conspiracy to destroy her company and pillage it for her staff, surfaces. Hannah and her sister, Sera Svilupando Stafford, an attorney in a small, family-owned law firm, stand together against three corporate empires in defense of their individual freedom. In this poignant, suspense-filled legal drama, Secrets from the Forest Floor is politically current in its examination of corporate responsibility to the public welfare, and questions the core motivation that has sculpted American capitalism in its modern format. A fitting counter-argument...

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
