Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.These 4 volumes of Love, Life and Freedom are written to inform challenge all those who desire truth. All volumes make up an anthology of essays, sermons, scientific articles, confronting comments, warnings, urgings and some songs. Why do homo sapiens parents destroy their young and thereby exterminate their species? Why did it take so long for humans to discover natural family planning and $E=mc^2$? Why won't people investigate rapid orbital decay? And much more. If you have often wondered why, you will feel right at home. If you persist you will find some surprising discoveries that were brought to the attention of his elder, physician, sailor, politician, and songster. Don't be surprised that sometimes the tone is provocative. He is trying to keep you awake alert. If any emotion pervades these pages it is a sense of urgency. Human history is cascading to an abrupt and very uncomfortable end. Dr. Philip Ney insists it is not too late to persuade God to relent but the present selfishness, disinterest, apathy and lethargy make the chances very...
