

Tales of Mystery and Imagination (Paperback)

By Edgar Allan Poe

HarperCollins Publishers, United Kingdom, 2011. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. HarperCollins is proud to present its new range of best-loved, essential classics. `Yet I am not more sure that my soul lives, than I am that perverseness is one of the primitive impulses of the human heart - one of the indivisible primary faculties, or sentiments, which gives direction to the character of Man. Including Poe s most terrifying, grotesque and haunting short stories, Tales of Mystery and Imagination is the ultimate collection of the infamous author s macabre works. Considered to be one of the earliest American writers to encapsulate the genre of detective-fiction, the collection features some of his most popular tales. `The Gold-Bug is the only tale that was popular in his lifetime, whereas `The Black Cat , `The Pit and the Pendulum and `The Murders in the Rue Morgue became more widely read after his death. Focussing on the internal conflict of individuals, the power of the dead over the living, and psychological explorations of darker human emotion that appear to anticipate Sigmund Freud s later theories on the psyche, Poe s Gothic terror stories are considered masterpieces the world over.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
