Reviews

*This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).

APPLIED LEATHERCRAFT (HARDBACK)

Read Books, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this early work on one of the most attractive crafts that man has developed, special attention is paid to the many details of leathercraft needed by the beginner if he wishes to produce attractive pieces of work. Its 210 pages are extensively illustrated with explanatory diagrams and photographs and provide a wealth of information on leathercraft. An essential title on any craft enthusiast's bookshelf. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
