Brand New Book ***** Print on Demand *****.The first responsibility of our government is the security of every American. In this era of unprecedented and unpredictable challenge, we must be prepared for any threat. The men and women of America's armed forces and those on the front lines here at home have met every challenge with skill, bravery, and selfless dedication. They, along with veterans, military retirees and the families of those who have given their lives or have been wounded in defense of our country, deserve the gratitude and support of the American people. We will always honor their service and fulfill our promises to them. We believe America is best protected, and freedom best advanced, by national security policies -- including homeland, energy, and diplomatic strategies -- that are both tough and smart. Democrats offer a plan for Real Security to rebuild our military; equip and train our first responders and others on the front lines here at home; provide needed benefits to our troops and veterans; fully man and equip our National Guard; promote alternative fuels and reduce dependence on foreign oil; and, restore Americans confidence in their government's ability to respond in the face of a terrorist attack or natural disaster. To protect the American people, we will immediately implement the recommendations of the independent bipartisan 9/11 Commission and finally protect our ports and airports, our borders, mass transit systems, our chemical and nuclear power plants, and our food and water supplies from terrorist attack. After September 11, all Americans trusted President Bush to take the steps necessary to keep our country safe. Since then, inadequate planning and incompetent policies have failed to make Americans as safe as we should be. The tragedy of...
