Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Manetho: With an English Translation An Egyptian high priest, learned in Greek literature, had an unrivalled Opportunity, in early Ptolemaic times, of writing an excellent and accurate history of Egypt. He had open access to records of all kinds - papyri in the temple archives (annals, sacred books containing liturgies and poems), hieroglyphic tablets, wall sculptures, and innumerable inscriptions.<sup>3</sup> These records no one but an Egyptian priest could consult and read; and only a scholar who had assimilated the works of Greek historians could make a judicious and scientific use of the abundant material. It is hardly to be expected. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
