By Richard Rosenfeld, Steven F. Messner

Sage Publications Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. In this unique and timely book, two of the world's leading criminologists explore the connections between crime and economic conditions. Crime and the Economy is written with clarity and flair. Technical terms, where used, are fully explained; relevant examples punctuate the discussion; and key points are supported by graphs and diagrams. It is essential reading for undergraduates, graduate students, and academics in criminology and sociology. Compact Criminology is an exciting series that invigorates and challenges the international field of criminology. Books in the series are short, authoritative, innovative assessments of emerging issues in criminology and criminal justice - offering critical, accessible introductions to important topics. They take a global rather than a narrowly national approach. Eminently readable and first-rate...
