Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

WALL STREET JOB PRIMER: A COMPREHENSIVE GUIDE FOR THOSE ASPIRING TO WORK IN FINANCIAL SERVICES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. *** READERS: I am incredibly pleased my book has sold well and made it into the curricula of some top tier universities. Notwithstanding, I WOULD GREATLY APPRECIATE YOUR FEEDBACK/REVIEWS ON AMAZON. In an effort to provide more bang for your buck, I have provided my email address in the book (at the end of the Preface on page XI) so you can email me questions/comments directly. Thank you! > Overview (more complete description below) ### Industry overview in layman terms ### Investment banks, money managers, hedge funds and the jobs within ### Chapter 5 dedicated exclusively to quantitative roles in the industry ### Strategies and insights for landing jobs and maximizing success (including compensation!) ### I wrote this book to help those who aspire to or already work in the financial services industry. While my original intention was to help out aspiring quants (like myself a bit over 10 years ago), I have geared most all of the topics so that they will be helpful to anyone that is relatively new to the financial sector. Indeed, the content is presented in a manner that requires no prior knowledge. I have done my best to describe each topic from scratch and use examples/diagrams to illustrate many points. ### The first half of the book (three chapters) provides an introduction to capital markets and the financial institutions within. I start with an overview of these topics in the first chapter. Chapters two and three then describe investment banks (the sell-side) and the institutions that manage people s money (collectively known as the buy-side) in detail. ### The latter half of the book focuses more on the actual jobs within these financial institutions. Chapter four...
