Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cats on a Magic Carpet is a true story, about real lives, feline and human. The story is told through the lives of nineteen memorable cats, who touched the life of the author in some way from her early childhood under the rule of an abusive father, through her first marriage, subsequent divorce, remarriage and eventual separation. Although tear-jerkingly sad in places, it is primarily a story of hope, that no matter how bad life seems, there is always something better waiting just around the corner. The constant interaction of the metaphysical and physical worlds is also clearly illustrated and the story includes reincarnation, spirit possession, telepathy, remote viewing, ghosts, poltergeist activity, spirit guides and miraculous cures, both feline and human. Read about Stripey the ginger kitten and learn why he haunts the author's dreams to this very day. Meet Snowy, the marriage-wrecking telepathic cat who died twice but was still in no hurry to move on to the other side, Smudge the feline big-game hunter who terrified more than his fair share of humans and Rocket, a little wild cat who reached out to the human world with the strangest request. Read the miraculous story of Cicio and the power of Reiki. Discover how Spike, a tiny blind kitten, was snatched from death's doorstep, smile at her strange mother-substitute and be amazed at the small miracle that restored her sight. Laugh at the antics of Choccy, a Burmese who had never seen a cow and what happened when he saw a herd of them for the very first time! Cry at the tragedy of poor Marmalade and her kittens. Cheer at the rescue of Snax and his transformation from...
