Brand New Book. Excerpt from Abraham Lincoln s Political Career Through 1860: Early Politics; Excerpts From Newspapers and Other Sources Lincoln s earliest political surroundings have always somewhat baffled scholars. The reasons for this are many and varied. Inadequate documentation and Whiggery s marginal existence as almost a subculture in Democratic Illinois are two factors. A third, perhaps more important, is the unpopularity of the Whig party among historians. Much of the best work on Lincoln was produced at a time when historians were prejudiced against the Whigs. Most writers liked Lincoln well enough, but they disliked the party to which he devoted the greater part of his political life (he was a Whig twice as long as he was a Republican).
